

AGENDA

FINE ARTS COMMISSION MEETING  
Thursday, 26 October 1978  
1330 - Room 7D32

1. Discussion with Mr. Blake.

A list of suggested topics for discussion has been given to Mr. Blake (attached). Feel free to bring up others at the meeting.

2. Landscaping Plans. Mr. Knee

Mr. Knee has been invited to give the FAC a briefing on landscaping plans.

3. Approval of minutes of the 28 September 1978 meeting.

4. President's Portrait. [REDACTED]

GSA says there is no official portrait of the President, and therefore there seems to be no official requirement to display one in a prominent place. Is the one displayed with others near the Exhibit Hall adequate?

5. Exterior Maintenance. [REDACTED]

Please take a look at the white fiberglass bench (with curved pedestals) and white cylindrical ash and trash receptacles near the Hqs. Building entrances. [REDACTED] has a proposal to discuss related to these.

6. Paintings in Rendezvous Room. [REDACTED]

[REDACTED] propose that some paintings in the 1B corridor be moved to the Rendezvous Room.

7. Proposed Programs for the Fine Arts Commission. [REDACTED]

In my discussions with Commission members, I have asked for their ideas on medium- to long-range programs that we might initiate. A list of the ideas mentioned thus far is attached. Which of these (or others) do you think we should undertake?

8. Committees. [REDACTED]

Committee functions and proposed membership will be discussed.

9. Next meeting.

The next meeting of the Fine Arts Commission will be 30 November, 1000, Room 7D32.
